

## *Jumpology Lock-In Information & Guidelines*

We are super excited about hosting our ANNUAL Teen Lock-in and we are equally excited that you are joining us! To ensure a fun-filled, but SAFE lock-in, we've put together some information and a few guidelines for the evening. Please read the following information with your teen and both sign it.

The purpose of our Teen Lock-In is to have good, clean fun and to learn about God. The majority of the time at the lock-in will be spent playing games, watching movies, hanging out and having competitions; however some of the time will be spent singing, sharing and learning from the Bible.

Please bring: Bible, sleeping bag, pillow, snacks to be shared, WARM (it gets cold) & appropriate clothing to lay around/sleep in (ie. thick PJs, sweats & sweatshirts, socks-we will be in mixed company all night) & a change of clothing if you'll get sweaty jumping (deodorant). You must bring or purchase a pair of Jumpology socks for \$5, which can be purchased at check-in.

We don't anticipate having any behavior problems, but we've created a few guidelines for the evening, just in case. In general, behavioral issues will be handled on a case-by-case basis. If the chaperones decide that the behavior is severe enough that the parents need to be contacted, you will need to come to Jumpology to pick up your teen right away.

- 1) Adults are volunteering as chaperones to make the event the best it can be and their job is to help keep everyone safe, therefore Teens are expected to comply with their directions and instructions.
- 2) Once you have registered and entered the building you may not exit the building between 11:30 pm-7:00 am, without prior parental consent.
- 3) It goes without saying, but...the possession or suspected use of alcohol, tobacco, drugs (legal or illegal) or weapons of any kind is cause for immediate dismissal. By attending the Lock-In you are allowing your bags to be searched.
- 4) No cursing, language that is offensive, bullying, or physical altercations will be tolerated.
- 5) All medication needed should be noted on registration form and turned in at check-in.
- 6) Use only appropriate displays of affection (side hugs, high fives & fist bumps) between boys & girls.
- 7) We will discourage the use of hand-held games during the lock-in, but will allow them.
- 8) Everyone will be encouraged to participate in all activities and games.
- 9) All food and drink must stay in the party rooms and lower level and cannot go in the arena.
- 10) Teens are expected to follow all of the rules as they are laid out by the Jumpology staff.
